

# Tutorials & info

Some useful links to better understand Penpot through answers and tutorials.

## Dev Diaries

The Dev Diaries are our release notes, where we jot down every new feature, enhancement and fix included in every release. There are also kudos to community contributors <3

Wanna know what's new? take a look at our [Dev Diaries](#).

## Video tutorials

Suscribe to the [Penpot Youtube channel](#) to get updates when we upload new Penpot tutorials, demos of features and talks.

## Frequently asked questions

If you have questions about the "Whys" or the "Hows" of Penpot we have collected and answered a bunch of the most common questions that we've been asked so far at

our [Frequently Asked Questions](#).

## Community space

We launched a community space to allow for everyone to be part of the conversation. [Join the community here](#).
